Talk Saves Lives for Firearms Owners

This one-hour VIRTUAL presentation for adults 18-and-over will cover what we know about this leading cause of death, the most up-to-date research on prevention and what we all can do to fight suicide. Participants will learn the common risk factors for suicide, how to spot the warning signs in others, and how to keep ourselves, our loved ones & those in our community safe. This firearms-specific program was developed in collaboration with the National Shooting Sports Foundation, NSSF, the trade association for the firearm industry.

Registration required; Only 50 attendees allowed per session. Offered on:

- Tuesday, May 26 at noon—register via https://may26tslfirearms.attendease.com/
