Do you set goals for yourself or do others set them for you? How do you feel when you accomplish something? Does what you accomplish make a difference to you? How can you plan and work to do a better job of meeting your goals? When you reach a goal, and feel some satisfaction in reaching that goal, does this help you set new goals? What if you are not quite satisfied with your accomplishments? How can you get the most out of 4-H and receive satisfaction for your goals?

The 4-H Achievement Plan will help you with these things. It will help in:

1. Setting your goals and making plans to reach them.
2. Enriching your 4-H program as you grow.
3. Evaluating your own efforts and accomplishments and by taking a look with your leader as to how well you have met your goals.
4. Reaching more of your goals.
5. Setting new goals that will help you grow and develop your skills and personality.

To be successful your plan will require loyalty to your 4-H club, your county, state, nation, and world. Service to others is very important. Creativity, responsibility, and leadership will be required. The satisfaction you feel for your job well done will make it all worthwhile.

Planning – To achieve your highest goals, plan your 4-H participation and set your goals at the start of your year or immediately after achieving a lower level. Use this achievement form to talk with your family and 4-H Leaders. Ask their advice in helping to set your goals and to help you accomplish them.

Directions:

1. Check the suggestions in the “Planned” column that you plan to accomplish.
2. Fill out the “Date Accomplished” column when you complete a requirement.
3. Check the highest award listed below for which you are applying.
4. Turn this in to your 4-H leader when you meet the minimum requirements for a Level.
5. Only one level may be reached each year in 4-H
6. You may begin the Achievement Plan at any time in your 4-H career. You must be 9 years old to begin the Green Clover Award. It may take more than 1 year to finish a level.
